Workshop Examples (similar or the same could be offered on the day)

The Cat Sat On The Mat

Loosen up with some scribble drawings of cats before moving on to create a continuous line drawing of either a playful kitten or a cosy cat curled up on a patterned or collaged mat?

You Can't Resist It!

Your crayon cat resists getting wet as it emerges from its brightly painted home. Use food dye or bright watercolour to bring your image to life.

Shake Those Whiskers

Discover the properties of perfect printmaking through the creation of either a textured template, collograph or monoprint. Add collected collage for cats or fix funky whiskers to your printed pussycat personalities.

Purrfect Pastel Pussycats

Use soft pastels to create purrfect pastel pussycats. You'll wish these creative cats could curl up and cuddle you all day long. They will enchant us all!

Crafty Clay Cats

Sculpt a crafty 3D cat out of paper clay or maybe a wily, wild cat out of aluminium wire. Fabulous felines!
