1:00pm	Workshop 3
2:25pm	Clean up
2:30pm	Exhibition & Presentation (parents, teachers, principals welcome)
3:00pm	Finish

Workshop Examples (similar or the same could be offered on the day)

Something's Fishy

Fabulous fish will swim across your page as you learn how to draw their realistic forms. Watch them wallow in their weedy world under the sea as you confidently learn how to draw and become even more accomplished as you create a multidimensional and textured artwork.

Fun and Foamy Bits

Explore perfect printmaking by etching into foamboard, creating crafty collographs or manipulating other materials to print your own amazing creatures from under the sea.

Lets Go Fishing!

Use vibrant coloured pastels to create some fat frolicking fish. Blending, smudging or pressing hard to add definition... you will become a real artist!

Sculpture From The Sea

Bend and wind aluminium wire, explore the properties of paper clay, manipulate modeling dough, drip PVA, ruche with rags or play with plaster! You will create your own very own sculpture from the sea.
