Technical Rehearsal Information

- Sign on - Stage Door, Seymour Centre
- Collect Information Kit.
- Change into costumes and leave your gear in your assigned dressing room.
- Deliver props to the Assistant Stage Manager outside prompt side of stage.
- Move into the auditorium via the ramp.
- You may seat students in the audience until called.
- When called by the rehearsal manager, send students to the prompt side of the stage (via ramp).
- Discuss lighting requirements with the lighting designer, who will be in the centre of the auditorium. While you discuss your item students will begin rehearsing their spacing on the stage. The item will run during this time however the lighting may not be finalised at this point.
- Move from stage to dressing room to change.
- Costumes/gear may be left in dressing rooms if this suits all schools sharing the space.
- Relax and eat in the appropriate areas. You are welcome to watch rehearsals with your teacher. The foyer areas are out of bounds during these times. Schools are not permitted back into dressing rooms unless accompanied by their teacher.
- Following the performance please clean up the dressing room and escort students to your designated meeting place. (For safety reasons, individual students should not be released into the stage door/car park area before the end of the performance).
- Tea, coffee and biscuits will be available in the Green Room. As the room is very small, only teachers are allowed to enter the Green Room (you'll have to take orders for your parent helpers). Do not send students.
